JANUARY COMMITTEE OF MANAGEMENT MEETING

Minutes of this meeting are on the Board and on the website. Some main points:

- 1 The Otago Community Trust granted \$70,000 for the land purchase, \$65,000 has been received in donations and the remainder will be loaned by members. Settlement date is 29 March.
- 2 The carpet in the Hudson Room is to be replaced when the source of all leaks are attended to.
- 3 The bar made a small profit of just over \$600 in 2017.
- 4 An assistant to the Property Manager is still required.
- 5 Sometimes the alarm is not being set properly as people leave the building. There have been three false call-outs recently which are charged to the Club.
- 6 The bollards outside the building are to be removed now that the new lighting is in place.

RESIGNATION

Frank Gradon has been a member of our Club since the early 1980s and has decided that it is time to cut back on his activities. Frank has contributed much to our Club, including directing for many years, dealing the cards for Teams and running the Teams competition for some time, as well as being a regular player. Frank is a foundation member of the Taieri Bridge Club, where he has also given many hours of his time. He remains a member of Taieri and will still play Friday Bridge. Best wishes, Frank.

HEALTH and SAFETY.

Margaret Harraway is the new Health and Safety Officer and she would like to know those in the Club who -

1. hold a current First Aid Certificate
2. are prepared to train in the use of the DEFIBRILLATOR (not difficult).

We are an aging lot and need to receive the right help in a health emergency. Ideally we would have two people per division for either or both. Please contact Margaret by email at M.Harraway@xtra.co.nz, Phone 455 5370 or text to 0275 043 211.

The Health and Safety Folder is missing from the Club. If you have it or know where it is, please also get in touch with Margaret.

LIBRARY NEWS

At last we have started processing the bridge books donated to the club by Lindsay Gunn. We are adding these to the 'New Books' section located in the middle shelf in the middle part of the library. A number of Lindsay's books are stories e.g. a couple of bridge mysteries about the Obnoxious Abbott, and the New King's tales. There is even a cartoon book entitled Bridge is a Contact Sport, plus several other interesting titles. Come along and have a browse and don't forget to have a look at the great bridge magazines also donated by Lindsay.
